

## ROKK

A multi position mount, install fishfinders and chartplotters at the helm, RIB console, fishing boat dashboard, nav station and more.

Introducing a new modular Rokk design including a new Railblaza Starport compatible option.

With only 11 part numbers in the range now, it is even easier to stock.

Simply select the required top and base. Easy!

### STEP 1: SELECT ROKK 'BODY'. CHOOSE FROM 4 OPTIONS:

#### 1 ADJUSTABLE DECK MOUNT

Offering 360° of rotation, this 'set and forget' system ensures zero loss of clamping force over time.

Locking design provides a rock solid platform and a high clamping force with minimal effort from the user.

### NOW IN STOCK: RAILBLAZA STARPORT MOUNTS

A range of Railblaza StarPort mounts are now available to order direct from Scanstrut.

All are compatible with the new **Rokk Adjustable Mount for Railblaza**, so you can fit and remove your Rokk Mount with ease.

Made from high grade engineering plastics, the StarPort is easy to fit and stylish. All StarPort's include a stylish locking slide for securing accessories firmly in place; a gasket and bung reduces water ingress.
